EDUCATION

Bachelor of Computer Science

Bahria University Islamabad

2020-2024

LANGUAGES

English ▬▬▬▬▬▬▬▬

My journey in software development has equipped me with proficiency across the entire stack, from front-end technologies like HTML, CSS, and JavaScript, to back-end frameworks such as Node.js, Express.

WORK EXPERIENCE

Eziline Software House

I served as a backend developer Intern at Eziline Software House, contributing to the development of robust CRUD operations for customer, supplier, and purchase modules. Additionally, I played a key role in system integration, ensuring seamless communication between various components.
